New Connection Wizard

Getting Ready

The wizard is preparing to set up your Internet connection.

How do you want to connect to the Internet?

Choose from a list of Internet service providers (ISPs)

Set up my connection manually

For a dial-up connection, you will need your account name, password, and a phone number for your ISP. For a broadband account, you won't need a phone number.

Use the CD I got from an ISP

New Connection Wizard

Internet Connection
How do you want to connect to the Internet?

- Connect using a dial-up modem**
This type of connection uses a modem and a regular or ISDN phone line.
- Connect using a broadband connection that requires a user name and password**
This is a high-speed connection using either a DSL or cable modem. Your ISP may refer to this type of connection as PPPoE.
- Connect using a broadband connection that is always on**
This is a high-speed connection using either a cable modem, DSL or LAN connection. It is always active, and doesn't require you to sign in.

İstenilen isim verilebilir.

New Connection Wizard

Connection Name
What is the name of the service that provides your Internet connection?

Type the name of your ISP in the following box.

ISP Name

The name you type here will be the name of the connection you are creating.

< Back Next > Cancel

Telefon numarası girilir.

New Connection Wizard

Phone Number to Dial
What is your ISP's phone number?

Type the phone number below.

Phone number:

You might need to include a "1" or the area code, or both. If you are not sure you need the extra numbers, dial the phone number on your telephone. If you hear a modem sound, the number dialed is correct.

17-Dial tusuna basılır .

The image shows a Windows XP-style dialog box titled "Connect BluetoothConnection". The title bar includes a question mark icon and a close button. The main area features a blue background with an illustration of two laptops connected to a globe. Below the illustration are two text input fields: "User name:" and "Password:". Underneath these fields is a checkbox labeled "Save this user name and password for the following users:". There are two radio button options: "Me only" (which is selected) and "Anyone who uses this computer". Below the radio buttons is a "Dial:" label followed by a dropdown menu showing "*99#". At the bottom of the dialog are four buttons: "Dial", "Cancel", "Properties", and "Help".

The image shows a smaller dialog box titled "Connecting BluetoothConnection...". It has a light gray background and a small icon of two laptops connected to a globe. The text "Verifying username and password..." is displayed. At the bottom center is a "Cancel" button.

The image shows a smaller dialog box titled "Connecting BluetoothConnection...". It has a light gray background and a small icon of two laptops connected to a globe. The text "Authenticated." is displayed. At the bottom center is a "Cancel" button.

Bağlantı gerçekleşir.
